

See.Hear.Read: Lyrasis Ebook & Community Engagement Demos of The Palace Project, BiblioBoard and Indie Author Project at ALA, Booth 914.

Stop by the Lyrasis booth #914 to learn about our ebooks and community engagement platforms. We'll be sharing demos of The Palace Project, BiblioBoard and the Indie Author Project throughout the conference and at these times:

- **Saturday, June 29: 9 a.m., 10 a.m. and 2 p.m.**
- **Sunday, June 30: 11 a.m. and 2 p.m.**

The Ebooks and Community Engagement division of Lyrasis, composed of The Palace Project, BiblioBoard and Indie Author Project, creates and hosts software services with a non-profit, library-focused mission to help strengthen the library's role at the center of their communities.

Our passion lies in finding creative solutions to shared challenges across the industry including book bans, unfavorable licensing terms, support for local authors and creatives, and streamlined access to more of your library's catalog in one simple app.
